21-00 Route 208 South, Suite 215 | Fair Lawn, NJ 07410  
Toll Free: 800.685.7077 | Email: info@chimney.net

## Proudly Serving the Following Areas:

- New York City
- Long Island
- Lower Hudson Valley
- Northern New Jersey
- Central New Jersey
- Fairfield County, Conn.

### ENERVEX®

VENTING DESIGN SOLUTIONS

- Chimney Fans, Draft Inducers & Power Venters
- Chimney Automation Systems
- Modulating Damper Systems & Draft Control Systems
- Single-blade Isolation Dampers
- Vortex Heat Recovery Systems & Economizers
- Modulating Combustion Air Supply Systems for Boiler Rooms
- Clothes Dryer Exhaust Fans
- Constant Pressure Air Supply Systems for Laundry Rooms
- Demand-controlled Multistory Exhaust Systems for Centralized Shafts
- Universal Chimneys & Ultimate Venting System
- Generator, Cogen, & Turbine Exhaust Systems
- Factory-built Single- & Double-wall Grease Ducts
- Pizza Oven Fans

### LFSYSTEMS

- Stairwell & Elevator Hoistway Pressurization Controllers
- Clothes Dryer Exhaust Fans
- Lint Filters
- Constant Pressure Make-up Air Supply Systems for Laundry Rooms
- Fully Modulating Multistory Exhaust Systems for Centralized Shafts
- Multistory Bathroom, Clothes Dryer, or Residential Kitchen Hood Shafts with Integrated Fire Resistant Enclosure Assembly
- Factory-built Aluminized Steel Clothes Dryer Exhaust Ducts
- Low-profile Subduct Risers

### security Chimneys

- Double-wall, Single-wall & Flexible UL 1738 Special Gas Vents
- Plastic Special Gas Vents
- Generator, Cogen, & Turbine UL 2561 Exhaust Systems
- Factory-built Single-wall UL 1978 Grease Ducts
- Factory-built (Zero Clearance) Round UL 2221 Grease Ducts with Integrated Fire Resistant Enclosure Assembly
- Double-wall Stainless Steel UL 103 Chimneys
- Double-wall Type B Gas Vents

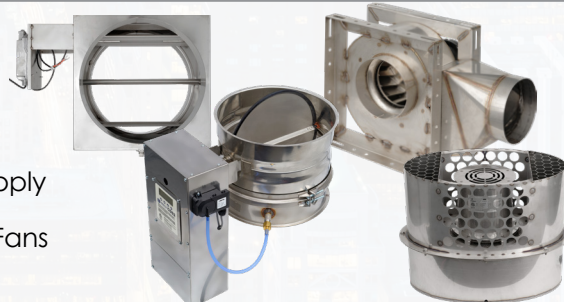

### jeremias EXHAUST SYSTEMS

- Double-wall & Single-wall UL 1738 Special Gas Vents
- Generator, Engine, Cogen, & Turbine UL 2561 Exhaust Systems
- Silencers
- Factory-built Single- & Double-wall UL 1978 Grease Ducts
- Factory-built (Zero Clearance) Round & Rectangular UL 2221 Grease Ducts with Integrated Fire Resistant Enclosure Assemblies
- Building Heating Appliance
- UL 103 Chimneys
- 1400°F UL 2561 Chimneys
- Fireplace UL 103HT Chimneys

### US DRAFT CO.

- Chimney Fans, Draft Inducers & Power Venters
- Modulating Damper Systems & Draft Control Systems
- Single-blade Isolation Dampers
- Fully Modulating, Constant Pressure Air Supply Systems for Boiler Rooms
- Coffee Roaster Exhaust Fans

**ABOUT US**

**Chimney Design Solutions®** is a professional manufacturers' representative specializing in high-performance building technologies such as stairwell & elevator pressurization controllers, combustion & make-up air systems, clothes dryer exhaust systems, fully modulating multistory exhaust systems, special gas vents, chimneys, engine exhaust, mechanical draft systems, draft controls, and commercial kitchen exhaust.

**Expect More**

Chimney Design Solutions® prides itself in exceeding your expectations. We value maintaining long-term relationships over pursuing short-term gains. To preserve our relationships, we always apply three principles to each project:

- **Compliance.** Our engineers have a thorough understanding of codes and standards such as ASHRAE's chimney design equation, IBC, IFGC, IMC, NFPA 37, NFPA 54, NFPA 92 & NFPA 211.
- **Honesty.** We value enduring customer relationships. To foster customer loyalty and confidence, we will always provide you and your client with the ideal solution, even if it does not fall within our product portfolio.
- **Knowledge.** Our engineers have over three decades of design experience so we do not have to rely on computer programs or manufacturers to guide your design. In addition, our estimators have comprehensive knowledge of our product line to guarantee that your questions are answered accurately.

**Our Team**

Our customer service team is comprised of individuals with extensive experience, skills, and zeal for providing superior customer service and technical support.

On every project, you can anticipate unrivaled and extraordinary service when you choose to work with us.
